ABOUT OUR COMPANY

Grover Electric and Plumbing Supply has been a favorite of Do-It-Yourselfers since 1954.

We pride ourselves on providing Excellent Customer Service, the type of service you would've come to expect – product knowledge, friendly service, expert advice, and genuine interest in taking care of customer's needs.

We provide the training, and you will learn the benefits of knowing Electrical and Plumbing products and help our customers to Do-It-Yourself and Save!

The majority of our employees have been with the company for over 10 years, and many have made a life-long career at Grover. We provide excellent benefits, great work environment, and advancement opportunities.
